Characteristic	Value
Type	MCI 15C
Weight	0.700 Kg
Approval	CE, EAC
Control voltage [V] d.c.	24 - 480 V
Control voltage, 50/60 Hz [V]	24 - 480 V
Controlled phases	2
EAN	5702423146413
Fixed setting	Yes
Max. load [A]	15 A
Packing format	Multi pack
Product description	SOFT STARTER
Product group	Contactors and motor starters
Product name	Electronic soft starter
Quantity per packing format	12 PC
Supply voltage [V] a.c.	400 V
Used for product	Commercial compressor
