Characteristic	Value
Type	MCI 15CH
Weight	0.394 Kg
Approval	CE, EAC
Control voltage, 50/60 Hz [V]	208 - 240 V
Controlled phases	3
EAN	5702423202904
Fixed setting	Yes
Max. load [A]	15 A
Packing format	Multi pack
Product description	SOFT STARTER
Product group	Contactors and motor starters
Product name	Electronic soft starter
Quantity per packing format	20 PC
Supply voltage [V] a.c.	380 - 415 V
Used for product	Commercial compressor
